

A Special World Toilet Day Presentation:

Dr. Shannon Yee

***Reinventing the Toilet:
a global collaboration turning an infrastructure into
an appliance***

Gates Note: "I need to take a Yee!" [Bill Gates's Heroes in the Field](#)

**Thursday, November 20, 2025
4:00-5:00p
CNR 6001 and ZOOM**

Prof. Shannon Yee leads the Generation 2 Reinvented Toilet (G2RT) program, where a global team of scientists and engineers are taking a second look at reinventing the toilet solution space and integrating the best concepts developed across the RTTC program with the goal of realizing a low-cost SURT solution. Come and learn how this large global team is approaching the problem through international collaboration bringing expert engineering to bear to turn an infrastructure into an appliance.
